

# ARDALAN | FULL-STACK AI-JAF ENGINEER

[ARDALANJAF.COM](https://ardalanjaf.com) / [CONTACT@ARDALANJAF.COM](mailto:CONTACT@ARDALANJAF.COM)

*Dynamic full-stack engineer with a background in visual communication and diverse industry experience. Seeking a long-term opportunity with a company that values growth and stability.*

## EXPERIENCE

### Full-Stack Engineer | Switch2Zero

April 2023 - Present (Remote, UK)

- **Primary front-end engineer:** Led development adhering to W3C standards with a strong attention to detail.
- **Front-end performance:** Improved SEO Lighthouse ratings from below 50% to approximately 90%.
- **Service management:** Managed and integrated CRM (GA, GTM, HubSpot, Zoho) and CMS (Strapi) solutions.
- **Product Development:** Directed front-end development of e-commerce and service products.
- **Architectural Refinement:** Streamlined front-end architecture for enhanced robustness and development speed.
- **Backend Support:** Assisted with backend development, building APIs, maintaining databases, and fixing bugs.

### Full-Stack Engineer | Self-employed

2022 - 2023 (London)

- Developed a full-stack React website or customised clients' existing websites. Examples: [Klover Healthcare](#), [Klaud studio](#)
- Adept at translating non-technical clients' needs into practical solutions, clearly communicating the associated pros and cons.

### Education & Career Transition | Education & Freelance

2020 - 2022 (London)

- Attained a Master's degree in Decolonial Philosophy and transitioned to coding through self-study and professional tutoring during the pandemic. Supported myself through various freelance roles.

### Supported Accommodation Case-Worker | Depaul UK

2017 - 2020 (London)

- Managed high-stakes responsibilities in challenging and highly volatile environments, demonstrating strong initiative.
- Resolved two long-standing cases that the organisation had been unable to find ways to close for over two years.

### Event Company Founder | Hidden Events

2016 - 2017 (Medellín, Colombia)

- Founded and operated an events company in Medellín, Colombia.
- Supervised a team of up to 12 employees to meet strict deadlines.
- Successfully repaid initial loan within a year and transitioned business to a local successor.
